Program to Program Articulation Agreement

Northern State University (NSU)
and
Lake Area Technical Institute (LATI)

Business Associate, Marketing & Management AAS Degree (LATI) towards Finance, Bachelor of Science Degree (NSU)

Summary:

Graduation Requirements for the degree in Finance at NSU:	
Total number of credits at NSU:	108
Transfer credits from LATI:	20
Total credits required:	**128**

*Transferable general education course credits can be completed at LATI**.**

Upon successful completion of the requirements specified, NSU will accept 20 technical course credits from the A.A.S. degree in Marketing & Management for students majoring in Finance. Students must successfully complete the A.A.S. degree in Marketing & Management from LATI prior to transferring to NSU for the technical course credits to be accepted. General Education coursework is in addition to the 20 technical course credits. Students must meet all Board of Regents policies and university graduation requirements in order to receive a degree.
