TRANSFER OF CREDIT FOR AN OTA COURSE
(Standard A.3.3)

At this time, the only OTA courses that will receive a transfer of credit are OTA 120 Human Development: Prenatal through Adolescences (2 credits) and OTA 200 Human Development: Adult to Death (1 credit). To receive transfer credit for these courses the student must submit a transcript from an educational institution meeting the requirements of LATI's transfer of credit policy for general education and related courses documenting the completion of a human development course with a grade of C or higher and a syllabus of the course. The course syllabus must document the following topics for full credit to be received.

1) Age groups covered Prenatal, Toddler, Preschool, School Age, Adolescent, Young Adult, Middle Adult, Older Adult, Death
2) Types of development: physical, cognitive, psychosocial/social emotional

The OTA Program Director will review the syllabi and determine if full transfer of credit or partial transfer of credit is appropriate.

TRANSFER OF CREDIT FOR OTHER COURSES

Transfer of Credit for any general education course (any course not identified with a course number that begins OTA) can be located in the LATI Student Handbook (http://www.lakeareatech.edu/downloads/LATIHandbook.pdf)

(As documented in the OTA Program Student Handbook)
