A \$20 application fee is required when an application is submitted. All programs require a \$25 acceptance fee and a \$125 tuition deposit after acceptance.

All programs have a fall semester start date. Check with Admissions to confirm spring or summer semester starts.

In addition to the costs listed, each program requires textbooks. Costs range from \$160 to over \$1000 a year, depending upon the program and option selection. Tool costs represent a range of prices, depending on brand selection. Licensure fees and certification testing fees are not necessarily included in the program costs.

Lake Area Tech reserves the right to adjust program requirements and costs as needed without notice.

[^] Students are required to utilize a wireless laptop. Lease options are available through the Bookstore. Costs are subject to change due to unexpected industry modifications.

*Amount varies depending upon option chosen.
