

## Presidents Message

Hello and welcome friends! It has been an interesting start to the 2<sup>nd</sup> half of the year so far with all the issues facing education in Pierre with the legislators. However, on a positive note I hear and read awesome reports on our ACTE tour we had at the end of January. Thank you to Dodie, Coleen and others involved in this. I hope each of you are doing something special in your community and school to help promote CTE month and promote these classes to parents and students.

As we start preparing our budgets, and Perkins monies for the year be sure to remember to include fees for SDACTE this summer as it will be an exciting time with our 40<sup>th</sup> anniversary celebration.

Sincerely,

Terry Rieckman  
SDACTE President

Region III NAAE Vice-President  
McCook Central FFA Advisor
