**A \$25 application fee is required when an application is submitted. All programs require a \$25 acceptance fee and a \$125 tuition deposit after acceptance. All programs have a fall semester start date. Check with Admissions to confirm spring or summer semester starts.**

In addition to the costs listed, each program requires textbooks. Costs range from \$160 to over \$1285 a year, depending upon the program and option selection. Tool costs represent a range of prices, depending on brand selection. Licensure fees and certification testing fees may not be included in the program costs.

^Students are required to utilize a wireless laptop. Lease options are available through the Bookstore. Costs are subject to change due to unexpected industry modifications.

\*Amount varies depending upon option chosen.

\*\* All Agriculture options require a laptop, however, only the Agri-Production Option has a tool list.

+Photography Option requires students to purchase a camera.
