

LAKE AREA
TECHNICAL INSTITUTE

Community

It's NEW and
it's for YOU!

Are you looking to learn a skill, try out a new hobby, or just get together with some friends for a fun night out? No matter your age or gender **Community U** is for you!

Introductory educational and inspirational classes will be offered to the general public at locations and times that work best for you (and of course the instructors). And...we think you'll agree the price is right!

Check out the offerings and see what interests you and your friends. Enroll in one class or enroll in ten. And, as this concept catches on, we will continue to add more classes to the endless list of possibilities.

TO REGISTER:

Go to www.lakeareatech.edu and click on the Community U tab to register online.

OR print the registration form and send it along with the registration fee to:

Community U

CLASS	DATE	TIME	LOCATION	COST
VIP Zoo Tour Not everyone has exclusive privileges at the zoo, but you will if you sign up! Enjoy a guided tour of what happens behind the scenes at our very own Bramble Park Zoo. Learn about animal husbandry and the care animals receive at our AZA accredited zoo. Instructor: Jaime Stricker	Oct. 12	6:30 PM	Bramble Park Zoo	\$5
Heal with Ancient Reiki Learn something new and rejuvenate from within! Reiki (ray-key) is an ancient, gentle hands-on healing art which helps people feel and heal better. Reiki stimulates your body's innate healing resources, encouraging a return to wellness. During this session, participants will be introduced to reiki energy and its benefits. Grab a friend and give it a try! Instructor: Mary Redlin. Maximum of 10 people.	Oct. 17	6:30 PM	15 East Kemp Rm 204	\$5
Pumpkin Pizazz! Let your inner creativity emerge as you paint and adorn your very own wooden pumpkin trio! Paint, sand, embellish, and VOILA! You'll have décor that'll last until Thanksgiving dinner is over. Don't think you're crafty? No worries! We'll guide you each step of the way! Supplies fee: \$10*. Instructor: Kristina Pearson. Maximum of 12 people.	Oct. 19	6:30 PM	LATI Student Center	\$15
Join the 3D Printer Club! Beginners welcome! Learn about the exciting world of 3D printing. In the class, you'll learn what technologies are available today for both materials and printers, and you'll see LATI's very own 3D printer. There is an opportunity to purchase your own kit and build with our local 3D printer club. We will discuss the times, cost, and network here in Watertown. Join us at no obligation! Instructors: Brooks Jacobsen, Bob Poor, & Matt Weinzirl	Oct. 24	6:30 PM	LATI Room 906	\$5
Keep Calm & Stain Glass Missed out last time? You're in luck! Sign up today for this <u>two-night</u> intro to stained glass class where participants will learn how to cut glass, grind, and fit into a pattern using the Tiffany method (copper foil) to solder the pieces together. Make a Christmas ornament or sun catcher. Have fun while learning something new! Instructors: Al & Cheryl Wentzell. Maximum of 10 people. Supplies fee: \$20*.	Oct. 24/Nov. 2	6:30 PM	Northern Lights 117 N. Kemp	\$25
Designer Cocktails Do your good intensions of wowing your cocktail party guests with fun and festive libations fly out the window while browsing the liquor store aisles? Sign up today for Designer Cocktails and find out how easy it is to concoct adult beverages that are sure to impress your guests! All participants must be 21 and samples will be shared so alert your driver! Instructor: P.J. Anderson. Maximum of 12 people.	Oct. 24	6:30 PM	TBD	\$5
Drone On—Again! You're in luck if you missed it last time! Take your photography skills to a higher level—literally! Sign up today and get some great advice on buying a drone, drone electronics, launching and landing, drone photography, drone law, and avoiding beginner mistakes. Anyone who has a drone, is considering buying one, or is just curious about drones is welcome to attend! No equipment required. Instructor: Scott Shephard. Maximum of 18 people.	Oct. 26	6:30 PM	LATI Room 433	\$5
Chalk it Up for the Holidays! Do you like learning new DIY techniques? Do you like saving money? Then this is your class! Using their tried and true chalk paint recipe, the Good Buy Gals will guide you through a fun and easy tutorial during which you'll paint an eye-catching, one-of-a-kind holiday frame! Complete it with a vintage insert and walk away with your very own unique holiday creation—mantle ready! Supplies fee: \$10*. Instructors: The Good Buy Gals. Maximum of 20 people.	Nov. 7	6:30 PM	Good Buy Gals—Wtn Mall	\$15
Getting Started with Mosaics Expand your creative talents while learning how to cut glass, use mosaic nippers, fit pieces to a pattern, use different types of adhesive materials, and grout your pieces together. Create a beautiful ornament or scenic tile in <u>two nights</u> . No experience necessary, give it a try! Instructors: Al & Cheryl Wentzell. Maximum of 10 people. Supplies fee: \$20*.	Nov. 14 & 21	6:30 PM	Northern Lights 117 N. Kemp	\$25
Made in Watertown If you're a history buff and enjoy learning more about Watertown, then this is the class for you! Sign up and learn all about Watertown's manufacturing history from 1878 to the present. You'll come away with a greater appreciation for Watertown industry. Instructor: Christy Lickei. Maximum of 20 people.	Nov. 14	6:30 PM	Cod. County Heritage Museum	\$5
Lather Up! Make and Take Try your hand at making soap! Each participant will make four artistic bars of natural soap using the cold press method. Hand-crafted soap makes the perfect gift, and it's oh so wonderful for your skin—gentle and detergent free. Note: This is not a fragrance-free location so please keep this in mind if you're considering signing up. As it is on location, this hands-on make and take is very limited, so sign up today! Supplies fee: \$25*. Instructor: Penny Adler. Maximum of 4 people, must be 18 years of age.	Nov. 16	6:30 PM	444 Farms, Rural Watertown	\$30
The Art of Etching Perfect timing! Cross off a gift or two from your Christmas list by signing up to etch the night away! <u>Bring your own</u> glassware, stainless steel, or wooden item to personalize and by the end of the evening, you'll walk away with a one-of-a-kind gift (or gift it to yourself)! Our instructors will lead you through each step using LATI's laser engraver. Sign up today—space is limited to allow each participant time to complete their project. Instructors: Brooks Jacobsen, Bob Poor, & Matt Weinzirl. Maximum of 10 people.	Nov. 28	6:30 PM	LATI Room 906	\$5
Christmas in MakerSpace Wow your Secret Santa (or anyone on your list) with a handcrafted gift made by you in LATI's MakerSpace! Sign up today and have access to LATI's Cricut machine on which you'll design and make your very own creation! MakerSpace experts will be on hand to guide you each step of the way as you make that special gift. Supplies fee: \$5*. Instructors: Nicki Yackley-Franken and the Student Makers. Maximum of 10 people.	Nov. 30	6:30 PM	LATI MakerSpace	\$10
Glacial Lakes Distillery Tour Watertown's Glacial Lakes Distillery has realized great success since opening the doors just a few short years ago. Sign up today and learn about the complex distillery process and how this innovative business just keeps getting better! Word has it, there may be samples involved, so all tour-goers must be 21! Instructors: Glacial Lakes Distillery staff. Please meet at Glacial Lakes Distillery: 1207 6th Ave. NW #170.	Dec. 5	6:30 PM	Glacial Lakes Distillery	\$5
Quilting Inspiration Do you quilt but need a little inspiration? Or, are you interested in learning to quilt, but don't know where to start? This is the class for you! Sign up and be inspired by a local quilter's beautiful creations and take home some expert tips in regard to patterns, color choices, materials, and more. This is not a beginner's class, rather an opportunity to explore the possibility of learning to quilt and be inspired! Instructor: Joanie Butala	Dec. 7	6:30 PM	LATI Room 512	\$5

*Supplies fees are in addition to the \$5 registration fee. The dollar amount listed above under COST is the combined amount. You can pay this in one transaction when you register online. For classes with a maximum amount of participants, a spot will be reserved after payment is made (either online or in person at LATI).

*A shared project brought to you by Lake Area Tech, H2O-20, and the community of Watertown
