Program to Program Articulation Agreement

Dakota State University (DSU)
and
Lake Area Technical Institute (LATI)

**Computer Information Systems, Network Specialist/CISCO AAS Degree (LATI)
towards
Computer Information Systems, Bachelor of Science Degree (DSU)**

Summary:

Graduation Requirements for the BS in Computer Info Systems at DSU:

Total number of credits at DSU:	116
Transfer credits from LATI*:	12*
Total credits required:	128

*Transferable general education course credits can be completed at LATI

Upon successful completion of the major requirements specified below, DSU will accept 12 technical course credits from the A.A.S. degree in the Network Specialist or CISCO option for students majoring in Computer Information Systems. Students must successfully complete the A.A.S. degree in the Network Specialist or CISCO option from LATI prior to transferring to DSU for the technical course credits to be accepted. General Education coursework is in addition to the 12 technical course credits. Students must meet all Board of Regents policies and university graduation requirements in order to receive a degree.
