Program to Program Articulation Agreement

Dakota State University (DSU)
and
Lake Area Technical Institute (LATI)

Computer Information Systems, Programming Specialist AAS Degree (LATI) towards Computer Science, Bachelor of Science Degree (DSU)

Summary:

Graduation Requirements for the BS in Computer Science at DSU:

Total number of credits at DSU:	116
Transfer credits from LATI*:	12*
Total credits required:	128

*Transferable general education course credits can be completed at LATI

Upon successful completion of the major requirements specified below, DSU will accept 12 technical course credits from the A.A.S. degree in the Programming Specialist option for students majoring in Computer Science. Students must successfully complete the A.A.S. degree in the Programming Specialist option from LATI prior to transferring to DSU for the technical course credits to be accepted. General Education coursework is in addition to the 12 technical course credits. Students must meet all Board of Regents policies and university graduation requirements in order to receive a degree.
