

STUDENT LEARNING

In each program at Lake Area Technical Institute, faculty develops **Student Learning Outcomes**, which are goals that clearly state the skills and knowledge students will have acquired after completing their program.

Practical Nursing Graduates Will Be Able To:

DEMONSTRATE PROFESSIONAL **RESPONSIBILITIES** IN PRACTICAL NURSING

- Meet ethical and legal requirements of the practice of practical nursing.
- Provide patient-centered care fulfilling the basic needs of the patient to one's best ability.
- Establish a foundation for reflection, self-analysis and lifelong learning into nursing practice.
- Contribute as a team member to the health care delivery system.

IDENTIFY AND ACCOMPLISH REASONABLE AND REALISTIC PERSONAL **OUTCOMES**

- Evaluate the effectiveness in attaining personal growth and goals through the use of integrity, autonomy and human dignity.
- Promote the holistic well-being of patients, oneself, and members of the health care team.

PRACTICE EFFECTIVE **COMMUNICATION**

- Establish and maintain therapeutic relationships with clients and families.
- Collaborate with health care team members to coordinate the delivery of care.
- Utilize information technology to the fullest capabilities to promote safety and quality care and to guide decision making.

PROMOTE **KNOWLEDGE** THROUGH LIFE LONG LEARNING IN HEALTH CARE EDUCATION

- Utilize teaching/learning principles.
- Apply the nursing process to enhance critical thinking and problem solving.
- Prioritize client care needs and question the basis of nursing actions.
- Perform technical skills in a safe, effective manner, while fulfilling emotional, spiritual and socio-cultural needs.
- Be responsible for a foundation of findings used in the delivery of safe and excellent care and for choices that promote the health of patients and families.
