Emerging Technologies in Dental Imaging

Have you wondered about what the latest in Dental Radiography Technology is? Can if benefit your practice? How does it work? 1 hr Radiography CE

Presented by Dan Alman with Carestream Dental

As an Account Executive for Carestream Dental, Dan helps dental practitioners reduce barriers to success by providing the most advanced dental imaging solutions and software on the market in South Dakota, Nebraska and Iowa. He is an expert in 3D/2D imaging equipment and practice management software applications in oral surgery, implant, restorative, endodontics and orthodontics

PD Meth Statistics

Our town seems safe, right? Hear the latest statistics and what is on the radar for Meth use in our area.

Presented by Watertown Police Department

Meth Mouth-What to look for in your patients

Would you know Meth Mouth if you saw it? This is a growing epidemic in our region. Darcy will show us what to look for and help identify current trends in Meth use. 2 hr Clinical CE

Presented by Darcy Jensen with PrairieView Prevention Services, Inc.

As the agencies founder and Executive Director, Darcy Jensen developed the ideas that are recognized as effective programs. PVPS offers unique drug and alcohol prevention services in communities across South Dakota.

Now in its 15th year, Prairie View Prevention Services, Inc. is a leader in innovative prevention programs. It is setting new standards for educating students, parents and members of communities about substance abuse and prevention.
