Total	11,686	10,245	10,577	20,231

These costs are estimates. Changes in the number of credits carried will affect these figures. These figures do not include rent, food, and related living expenses.

Here are your options for Laptop / iPad Purchasing

- If you have a laptop, bring it
- If you have an iPad, bring it
- If you don't have a device and need to purchase one, your best option is to purchase an iPad because many pilots fly with iPads mounted in the cockpit. The school does not offer iPads for sale but the Lake Area Tech STAX Bookstore has laptops available for purchase.

NOTE: Flight time costs are based on the minimum number of flight hours it takes a student to complete the course and varies based on student capacity and motivation. The student is responsible for additional costs of flight time which are above those quoted.

Thanks!
