

# Lake Area Technical College Physical Therapist Assistant Program

## Clinical Instructor Privileges & Award Program

We are extremely fortunate to have clinical instructors like you who share your time, expertise, professional values, and patients with our students in providing high quality clinical education! *Thank you!* Quality clinical education is *critical* to effectively preparing our students to become competent physical therapist assistants. It is also a rewarding and exciting component of the curriculum!

To *thank you* for your time and efforts, we are pleased to offer the following awards to our clinical instructors! Please contact me if you are interested in applying for Clinical Instructor Affiliate I or II status!
