

LAKE AREA
TECHNICAL COLLEGE

CNA Online Program

Lake Area Tech's online Certified Nursing Assistant (CNA) program allows the participant to complete the required 40 hours of theory online. The student is responsible for finding a facility to complete the 35 hours of clinical and lab requirements (Jenkins Living Center in Watertown is willing to fulfill these requirements for those needing a facility). This program is approved by the South Dakota State Board of Nursing.

- **Tuition: \$414 (1.5 credits)***
- **Payment must be received prior to starting the online coursework.**
- **No refunds**

*Does not include books, clinicals, or certification test
