

CNA Online Program

Lake Area Tech's online Certified Nursing Assistant (CNA) program allows the participant to complete the required 40 hours of theory online. The student is responsible for finding a facility to complete the 35 hours of clinical and lab requirements (Jenkins Living Center in Watertown is willing to fulfill these requirements for those needing a facility). This program is approved by the South Dakota State Board of Nursing.

- **Tuition: \$414 (1.5 credits)***
- **Payment must be received prior to starting the online coursework.**
- **No refunds**

*Does not include books, clinicals, or certification test
