

# Commitment to Excellence

Dear Lake Area Tech Student,

CONGRATULATIONS! You have been selected to become a member of the Lake Area Technical College Trapshooting Team for the 2024 season. You should be proud to be a part of this team! As a member of the team, you will compete against other collegiate teams throughout the nation. We will shoot every Monday, from September 11th to October 23rd at the Watertown Trap and Skeet Range and scores will be uploaded virtually. You will select a designated time to shoot every week between 4 and 6 at the registration meeting. 10 team members can be on the line at one time.

Being a member of this program is an honor, but it also requires that you make a special commitment. Unlike a regular league on a recreational level, little may have been required of you. Now that you've decided to move up to the more competitive, select level of trapshooting, you will be expected to make certain commitments to your coaches, team, and yourself.

Before you accept this invitation to become part of the LATC Trapshooting Team, carefully consider the following commitments, which each team member must make. If you are not willing to make this commitment, please let us know so the spot can be given to someone else who is willing. As coaches, we commit to you that we also will work hard to help you improve your skills, enhance your knowledge of the sport, and make your time at the range a worthwhile experience. People very seldom are successful at anything unless they can have fun doing it. We will expect you to work hard and be safe, but we will make every effort to ensure that you also have fun.

*Sincerely,*  
*Cassy Behnke & Nick Smith*

As a LATC Trapshooting Team Member, I promise to do the following.

- I promise to arrange my schedule so that I can participate in scheduled shoots regularly and on time.
- I will arrive before my designated shooting time and be ready to go when it's my turn on the line.
- I promise to work hard to improve skills and my understanding of the sport.
- I promise to give my full attention at all times on the range.
- I promise to prioritize the team and I will maintain professionalism.
- I promise always to encourage, and never to criticize, my teammates.
- I promise to maintain safety and awareness at the range.
- I understand that safety is the ultimate priority.
